LinkedIn: Aanehi Mundra

Assistant Professor-I, Amity Institute of Social Sciences, **AUMP**.

Visiting Faculty, School of International Relations and Strategic Studies, **University of Mumbai**.

Educational Qualification

Doctor of Philosophy, 2022

Thesis title: '**Climate Change Adaptations in South Asia: Linking Knowledge and Policy**'

Jawaharlal Nehru University, Centre for South Asian Studies,
New Delhi.

Visiting Scholar at Sichuan University, China under Belt and Road Initiative.

I took courses on Chinese culture, basics of Chinese language and political economy.

The fellowship was from March 5 to July 5'2018.

Master of Philosophy degree from **Centre for South Asian Studies**, at **Jawaharlal Nehru University, New Delhi** on '**Climate Change in Bhutan: Perspectives and Emerging issues**'. The dissertation was submitted on July 26, 2016. I have taken a **field trip** to Bhutan for the dissertation.

Master of Arts in Politics (International Relations) from **Jawaharlal Nehru University, New Delhi** in 2014.

Bachelor of Engineering(Information Technology) from **Rajiv Gandhi Technical University, Bhopal** in 2010.

Work Experience

Visiting Faculty, Amity Institute of Social Sciences, **AUMP**.(August 2022-December 2022)

Guest Faculty, **Delhi University**(January 2022- August 2022)

Visiting Researcher, **International Centre for Climate Change and Development (ICCCAD)**,

Bangladesh on LCCRD in LDCs/LICs(August 2021-2022)

Worked as a **Consultant** with Indian Social Responsibility Network on Antodaya Project supported by **Ministry of Culture, Government of India** from March'2019 to July'2019.

Worked with an online news portal, NewsMobile as a writer on **issues of national and international importance** from August'2016 to February'2017.

For **6 months** worked as a writer for a career website, Career ride, in 2014. The work included writing articles Current Affairs and other issues of global, political and social importance.

For **two years** as an Assistant Marketing Manager at a Construction firm. Dealt with marketing and sales with customers for promotion of construction site.
The duration of this work was June 2010-2012.

Additional Qualifications (Papers, Conferences, Workshops, Seminars, NET and Summer School)

Qualified **National Eligibility Test** in **Political Science** and **Geography**.

This is a test for the position of Assistant Professor in India. Though I have no academic degree in Geography, but to improve my understanding of environment, climate change and development landscape, I studied and cleared the competitive exam.

Participated as speaker in the 'International Young Scholars Summit 2020' , organized by Nepal Institute for International Cooperation and Engagement (NIICE), **Nepal**.

Completed **Climate Reality Leadership Corps training** under supervision of Mr. Al Gore on September 10, 2020.

Presented paper in '5th International Water Conference: Legalising River Rights: People, Politics and Practices' from 24-26 January 2020 in Kuakata, Patuakhali, **Bangladesh**.

Presented paper in 'International Seminar on Disaster Risk Reduction and Community Resilience' on 20-21 September 2019 in Utkal university, **Odisha**.

Presented paper on 'India's strategy to climate change: the way ahead' at the **All India International and Area Studies Convention 2019** which held from 30 January 2019 - 1 February 2019 in Jawaharlal Nehru University, New Delhi.

Attended '**World Youth Forum**' in **Egypt** in November'2018.

Attended '**World Forum for Future Leaders on Environment** ' by **University of Tehran, Iran** in February 2018. I was selected among the 35 from 3500 applicants who applied for the Forum.

Participated on Regional Workshop on **Shared Waterscapes of South Asia** from 5-8th January'2018 at **South Asian University, New Delhi**.

Presented Poster on ‘Air Pollution In Delhi: The Social Loss and the Policy Paralysis’, at the **ICI-MOD Atmospheric Conference** from 27-29 November’2017 in **Nepal**. Also participated the Science policy dialogue on **Male declaration** in South Asia in the same duration.

Participated in **41st South East Asian Conference**, organised by Kyoto University, Japan in **Laos** in November’2017 on Greater Mekong Region, for presenting work on Trans border water issues. I was the only participant selected from South Asian Countries for the event.

Participated in Seminar on **Thin Ice Arctic, Antarctic and the Himalayas** organised by The Royal Norwegian Embassy, New Delhi and **Jawaharlal Nehru University, New Delhi** on 29-30 November, 2016.

Participated in **Bergen Summer Research School**, 2016, by **University of Bergen, Norway** on theme ‘**Climate Change and Society**’.

At the Summer School, I took the course ‘Religion and Water’, wherein I learnt to connect the Nature with religion. The area of my expertise is Bhutan, my observation believe that understanding the local values may help in finding solution to adapt with the climate change impacts. Since the small countries lack in sufficient funding, alternate options need to be searched in the local activities.

Presented Paper in **National Conference on Climate Change**, at **Indian Institute of Public Administration, New Delhi** on 11-12 Feb, 2016.

Presented paper on **India’s foreign Policy** at international seminar held in **Benaras Hindu University, Varanasi** in April 2014.
